

UNION HIGH SCHOOL – CAMAS, WA - 2008

This new campus style high school sets the standard for quality and innovation. NSE provided bleachers, auditorium seating, athletic equipment, and lockers.

List Industries Marquis Student KD lockers with single point latch provide security and low maintenance.

Auditorium seats provide comfort, durability, and quiet performance with gravity lift seats, serpentine spring support, and contoured lumbar support.

Telescopic bleachers from Interkal feature aisles transitioning from main floor to balcony and fully automatic self storing aisle rails.
